12 April 2024 – End of term Newsletter

Principal's Message

Kia ora koutou,

We have reached the end of Term 1 for 2024. Walking around the classrooms and playground this week has been fantastic, as has hearing about how all the students enjoy learning and playing at Mauku.

I want to congratulate those families that have made the effort to get their children to school as often as possible. Presently, attendance is being spoken about in the media, and our data at Mauku is good. We have over 40 children who have attended over 90% of Term 1. School attendance is crucial in developing our students.

Please have a safe and happy holiday break. We look forward to seeing everyone again during Term 2.

Mr Christie

ST PIERRE'S SUSHI

As of next term, we will be offering a lunch option for students, once a week for St Pierre's Sushi. This will be delivered to school. See the flyer below for further details.

HEAD LICE: We have a few cases of head lice at school at the moment. Can you please check your child's hair, and treat if necessary. We can only eradicate the problem if everyone helps!

Thank you for your fundraising help in Term one. Our next event is the Coffee and Cake Stall at the Franklin Street Rodders Swapmeet this Saturday, here at school.
