

# MAUKU SCHOOL

We Care. We Contribute. We Conquer.

14 November 2018

## *We Care...*

### Thank you

- 😊 To those families who sent back our Health surveys, and attended our Community Hui to support our planning for 2019.
- 😊 Our camp helpers both overnight and supporting with day trips.
- 😊 To our students for always representing our school with pride and striving to succeed.
- 😊 To Brian Gallagher farms for donating the sausages and ice cream following their successful Open Gates farm day which was supported by the PTA and Mauku school community.

## *We Contribute...*

The whole school has earned a treat by following The Mauku Way. The big jar is full to the brim with Whanau balls and the children have chosen to celebrate with a free mufti / wheels day on Friday 23 Nov.

The PTA will contribute by providing free lunch. All children will get a hot dog or sausage, fruit, and an ice cream.

## *We Conquer...*

Next week is our 3 yearly audit from the Education Review Office team. Julie Earl and Greg Stuart will be in our school from Monday until Thursday. Please make them feel welcome.
